Cont..

“Many people, especially, ignorant people, want to punish you for speaking the truth, for being correct, for being you.

Never apologize for being correct, or for being years ahead of your time.

If you’re right and you know it, speak your mind. Even if you are a minority of one, the truth is still the truth.”

~Gandhi

PICTUREQUOTES

Cont..

Satyagraha largely appears to the public as Civil Disobedience or Civil Resistance. It is civil in the sense that it is not criminal... [The civil resister] considers certain laws to be so unjust as to render obedience to them a dishonor. He then openly and civilly breaks them and quietly suffers the penalty for their breach.
