Dr. Madhu Patel
Assistant Professor,

Department of Library and Information Science,
Mahatma Gandhi Central University,
Motihari, Bihar
Email: madhupatel@mgcub.ac.in

Programme : BLIS

Semester : II Semester

Course Code : BLIS4011

Course Title : Library Cataloguing
(Practice)

CONFERENCE

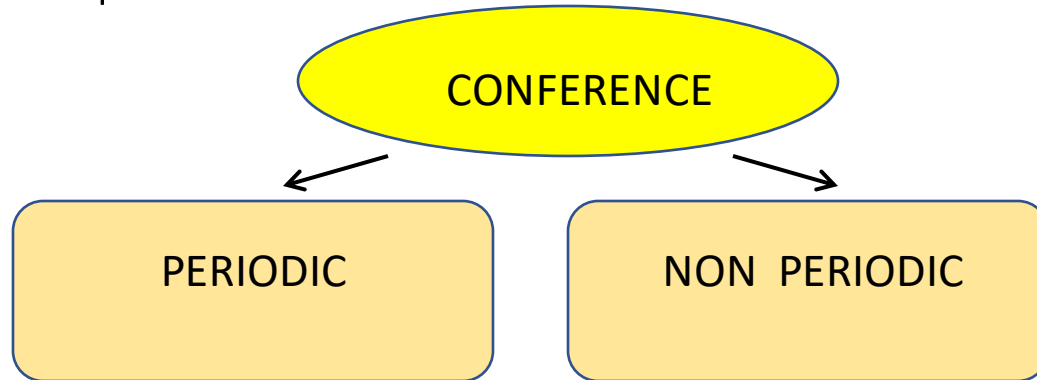

Meaning:

A published record of a conference, congress, conventions, symposium, or other meeting which is sponsored by a society or association.

It is one of the type of Corporate Authors.

Types of Conference

According to Classified Catalogue Code, Conference should be divided into two parts....

PERIODIC CONFERENCE

According CCC (chapter JE): Periodical Conferences are held at regular intervals and are numbered.

NON PERIODIC CONFERENCE

According CCC (chapter JE): Non Periodical Conferences are held at irregular intervals. In this type after the name of the conference, Place where the conference is held and the year of the conference are included in a separate bracket ().

Title→
