## ABOUT MAHATMA GANDHI CENTRAL UNIVERSITY

**MAHATMA GANDHI CENTRAL UNIVERSITY (MGCU)** came into existence by an Act of Parliament, Central Universities (Amendment) Act 2014 (No. 35 of 2014). The University became functional on 3<sup>rd</sup> February 2016. MGCU is situated in Motihari (Bankat), on National Highway 28.

MGCU is proving to be an excellent centre of Higher Studies in both Basic, Applied, and Technical educational fields. There are as many as total 04 Undergraduate; 22 Postgraduate and 20 Ph.D. Programmes of Study running under total 07 Schools and 20 Teaching Departments. This is one of the salient characteristics of the University which has attracted the enthusiastic learners from different parts of the country to seek admission here. Needless to reiterate, the well-experienced and competent Faculty of the University is the central basis for the academic excellence being sustained herein.

The location of the University in Motihari, Bihar does take us to the glorious historic year of 1917 when Mahatma Gandhi started his well-known SATYAGRAHA, the first ever anti-colonial struggle against the British. It is rightly said that Motihari made Mahatma Gandhi the BAPU, the premier MASS LEADER who henceforward revolutionized the whole India through miraculous mantras of Truth and Non-Violence. No wonder, MGCU is committed towards inculcating the spirit of SATYAGRAHA, TRUTH and NON-VIOLENCE among our learners towards rendering their invaluable services to the humanity.

Christened after Mahatma Gandhi, FATHER OF NATION, MGCU is one of the emerging public Central Universities of India. The Motto of the University is enshrined in the LOGO: "मयि श्रीः श्रयतां यशः". The very logo is an invocation of Vedic Chant meant for showering the prosperity of name, fame and riches upon all. This is the guiding principle behind the educational spirit of this University. All the Members of the University (both Teaching & Non-Teaching) work heart and soul towards enabling our students/ learners to achieve the all-round success and prosperity.

It is notable that MGCU is being galvanized under the visionary and dynamic leadership of our Hon'ble Vice-Chancellor, Prof Sanjeev Kumar Sharma. It's remarkable that our VC is a man of prodigious versatility, excellent academic vision and wonderful administrative acumen. Quite naturally, the all-round development and betterment as regards pedagogy, extra-curricular activities, administration, infrastructure, research, innovation are being harmoniously and steadily realised herein the ideal and conducive ambience of our University.

## VISION OF THE UNIVERSITY

- To establish the University with a global outlook but grounded in local tradition and culture;
- To establish the University as a unique model of excellence in higher education with student-centric focus in terms of global standards of programme offerings, curricular framework, pedagogy, research, publications and extension;

- To benchmark its curricular framework, pedagogical practices, infrastructure facilities, governance policies and administrative practices against global standards; and
- To pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development.

## **MISSION OF THE UNIVERSITY**

To achieve the above avowed Vision, the University has adopted the following Mission:

- Offer relevant and up-to-date, multi-disciplinary Programmes of Study to make students vocationally competent in the global job market;
- To impart high quality inclusive education;
- Adopt a holistic approach to learning through e-learning, peer-group learning, self-learning and work experience (industry/summer placement) besides conventional pedagogy;
- Establish a democratic outlook, a culture of performance, commitment and professionalism in faculty development;
- Integration of a high quality of research, publication, patents, consultancy, and industry linkages;
- To have renewable and sustainable sources of energy for the University needs.

### **Accessibility & Connectivity:**

The nearest airport is at Patna which is approximately 170 kilometres from Motihari. Motihari is also connected to all the major cities by train. The nearest railway station is Bapudham Motihari (BMKI) which is approximately 2 kilometres from the Temporary Campus at Zila School, Motihari. One can also reach Motihari by train via Samastipur, Muzaffarpur and Raxaul which are located within a radius of 100 kilometres. Motihari is also well connected to all major cities and towns of Bihar and adjoining states by road through a network of four-lane National Highway.

## SCHOOLS AND DEPARTMENTS

### I. Pandit Madan Mohan Malaviya School of Commerce and Management Sciences

#### Dean: Prof. Shirish Mishra

The School of Commerce and Management Sciences desires to foster creative thinking, develop entrepreneurial skills and personality to instil a desire for lifelong learning among students. It comprises of two departments i.e. Department of Commerce and Department of Management Sciences.

#### 1. Department of Commerce:

The Department of Commerce was established in the year 2016 to promote the research and higher education environment. The main aim of the department is to fulfil the gap of higher education and specially research in the region. In the beginning the Department introduced an undergraduate program B.Com.(H) in the year 2016 with intake of 30 students. Very early in the next step the Department introduced three new programs one post graduate program M.Com. and to create and promote research environment the Department started Master of Philosophy (MPhil) and Doctor of Philosophy (PhD) program in the year 2019 under the valuable direction of our dynamic Hon'ble Vice chancellor Prof. Sanjeev Kumar Sharma. The Department is nurturing the knowledge and skills required for shaping the students for 21<sup>st</sup> century requirements. The Department also facilitates co-curriculum and cultural activities to enhance the ability and competency in our brand ambassadors i.e. our students.

Presently, Department of Commerce is based at Pt. Deen Dayal Upadhyay Parisar, Chandmari, Motihari. The department has well equipped class-rooms and a central library in Jila School, Motihari. It is also noteworthy that the Department has minimum resources as the University is in initial stage however the department has an optimum utilization of resources. The department is imparting the best and updated content to the students. The Department looks forward to being recognised as one of the best centres of commerce and business education in India and abroad under able guidance of Prof. Trilochan Sharma, who is currently Head of the Department.

### III. SCHOOL OF HUMANITIES & LANGUAGES:

**Dean: Prof. Prasoon Dutta Singh**

Language is not only the means of expression of human thought; rather it constitutes the very world we inhabit. Language is the tool unique to human beings which distinguishes them from rest of the fauna world. The School of Humanities and Languages acknowledges the significance of languages in the Anthropocene. It came into existence in the first academic session of Mahatma Gandhi Central University in 2016. The School currently offers programmes in English, Hindi and Sanskrit, and has plans to broaden its scope by including many other languages of India and abroad. The study of languages is intrinsically entwined with the study of literature and the School offers its students the choicest of literary creations and critical texts. Through its programmes of study, the school aims to create able speakers, teachers, interpreters, translators, critics, and literary consultants in the languages taught.

#### 1. Department of English:

Department of English was established since the inception of the University in 2016. At present, the Department consists of 05 regular Faculties well-versed in language and literature. English is one of the most widely spoken languages in the world and is the bridge between different cultures and nations. Most of the masterpieces in world literature are written either in English or translated into it. English is also one of the necessary requirements in the emerging world of globalisation and modernization. The Department of English in MGCU recognizes the significance of English language and literature and seeks to cultivate a taste for literatures in English and to develop their critical thinking. The English Department is committed to ignite the creative and critical sense and develop the sensibility of students and research scholars. The sole vision and mission of the Department is to enlighten right thinking of learners/researchers so that they may contribute greatly and tirelessly for the welfare of humanity.

Department of Hindi was established since the inception of the University. Hindi is the official language of India and therefore all the official communication between the States and the Centre takes place in Hindi, which creates a number of job opportunities. It also has a rich and lively heritage of literary and critical texts. Hindi is the language of the job market, film and television, media and communication and for day to day activities in the Indian subcontinent. The Department of Hindi seeks to develop language and literary abilities of the students, produce able translators, interpreters, literary consultants equipped with critical thinking. The Department of Hindi takes pride in its committed and experienced faculty members who seek to inculcate in the students an appreciation for Hindi language and literature. The programmes of study offered by the department are so designed as to include masterpieces of Hindi Literature, Linguistics, Poetics and Functional Hindi to achieve the aforementioned goals.

## 3. Department of Sanskrit:

Sanskrit is acknowledged not merely as a language but an inclusive heritage of Indians which functions as a bridge between India's past and present. It has been the key to Indian Intellectual Traditions, Art, Culture, Linguistics, Philosophy, Science, and Spirituality etc. Keeping this in view, a full-fledged Department of Sanskrit was established in 2019 under the School of Humanities and Languages in response to a felt need for Sanskrit Studies at Mahatma Gandhi Central University. It offers M.A. and Ph.D. Programmes. There are six faculty members in the Department having varied expertise in the field of Indology. The thrust areas are Veda, Sāhitya, Nyāya-Vaiśeṣika, Navya-Nyāya Language, Vedānta, Vyākaraṇa, Saṅkhya-Yoga, Linguistics, and Manuscriptology. The sole aim of the Department is to impart high-quality teaching and research work to make Sanskrit academic culture as Indian way of teaching and learning perspective so that Indian Intellectual Traditions and its contemporary global need and significance may be flourished. The Department is dedicated to create an academic platform for developing innovative ideas in Human science for Sustainable Human Development by re-claiming

pasts for tackling contemporary issues and re-visioning future through uninterrupted cosmopolitan Sanskrit Knowledge Systems.

Everything is not great just because it is ancient. Nothing is bad just because it is modern. Intelligent people take things after examining it properly. An ignorant man simply believes what others say.

#### IV. SCHOOL OF LIFE SCIENCES

##### Dean: Prof Pranveer Singh

School of Life Sciences with its constituent departments of Biotechnology, Botany and Zoology strives to indoctrinate quality education, develop learning capacity of students in contemporary advancements, nature, environment and ethical values through knowledge, skills, and expertise to contribute to global perspectives for the larger benefit of humanity.

##### 1. Department of Biotechnology:

Biotechnology as a separate field of study has a recent origin. This field embodies the understanding of basic sciences and their use in scientific application. The application of biotechnology includes discovery of products and drugs, technologies to combat diseases, managing environmental pollutants, increasing agricultural output, finding ways to produce clean energy and have efficient industrial manufacturing processes.

4.	Dr Akhilesh Kumar Singh	Ph.D.	Polyhydroxyalkanoate Bioplastic; Nanobiotechnology and Applied Microbiology

### 2. Department of Botany:

The Department of Botany has teaching and research programs that encompass various basic and applied aspects of modern plant biology. Started in 2016 it is dedicated to make an impact through research and technology-based training to its students. The department is successfully running M.Sc., M.Phil. and Ph.D. programmes. The scheme of courses has been designed keeping the demand trend in mind. The faculty members are actively involved in various leading-edge research areas such as nanotechnology, plant breeding and cytogenetics, molecular mechanism of plant pathogen interactions, genomics, proteomics and metabolomics to name a few. The faculty members are consistently putting effort to convert it into a world class centre of academics and research. Their main objective is to groom the students into a pool of young scientists trained in interdisciplinary areas of plant sciences.

### 3. Department of Zoology:

History of Zoology as study of animal science is as old as the history of mankind. However, its emergence from Natural History as an independent branch that includes diversity of aspects of animal life including humans evolved much later. True to the evolutionary diversity of the subject, the Department of Zoology encompasses varied expertise in its faculty that ranges from basic to the cutting edge applied Zoology with the unitary aim of imparting high quality teaching and research in the frontier areas of basic and applied biological sciences so as to serve as the 'Breeding Ground' of inventions and innovations.

## V. SCHOOL OF PHYSICAL SCIENCES

### Dean: Prof. Devdutt Chaturvedi

The School of Physical Sciences comprises of three departments namely Physics, Chemistry, and Mathematics. The School offers M.Sc., and Ph.D. programme of studies in all the three departments to highly motivated students. Faculty members of the School are actively engaged in several up-thrust research areas like magnetic memory devices, nano-magnetism of thin film interfaces, Heusler alloys based structures, Laser Raman Spectroscopy, Density Functional Theoretical calculations, Chalcogenide glasses, Synthesis of carbon based Materials (Diamond, Graphene, Carbon Nanotubes, Graphene Oxide, and reduced Graphene oxide), Medicinal Chemistry, synthesis of biologically active natural products, Metal Organic Frameworks (MOF), Crystal Engineering, Drug Design & Delivery, Wavelet Analysis, Distribution Theory, Integral Transforms, Topology, Fuzzy Topology, Category Theory, Fuzzy set theory, Fuzzy Optimization, Computational & Theoretical Fluid Dynamics, and Differential Equations, etc. From the point of social, commercial and industrial applications, the faculty members are engaged in biosensing applications, spin based memory devices, fabricating different types of energy storage and conversion devices like rechargeable batteries, supercapacitors, solar cell, and hydrogen storage devices etc. by utilizing several nano-materials/composites, clean, green and low cost bio-waste materials based activated charcoal for its application in energy storage and water treatment.

#### 1. Department of Physics:

Department of Physics is one of the leading departments of the School of Physical Sciences, which is committed to create a centre of excellence in science & technology by providing quality education through effective teaching, learning, and evaluation processes using digital mode of technology. Faculty members of the Department are actively engaged in several up-thrust research areas including multiferroic materials, magnetic memory devices, thin film nano-magnetism, Metal/Semiconductor Interfaces, Heusler alloys based structures, tailoring of magnetic interfaces via swift heavy ions, Laser Raman Spectroscopy, Density Functional Theoretical calculations, Graphene Nanomaterials, Chalcogenide

glasses, Phase change materials, energy storage and conversion devices like rechargeable batteries, supercapacitors, fabrication of Photonic Devices - Solar Cell, Light-Emitting Diodes (LEDs) and Photodetectors, hydrogen storage devices, Supercapacitors based graphene nanomaterials as electrode, etc. by utilizing several nano-materials/ composites, clean, green and low cost bio-waste materials based activated charcoal for its applications in energy storage and water treatment. Unending efforts are being made by the department to develop well-equipped research and academic laboratories.

## 2. Department of Chemistry:

Chemistry is manifested everywhere starting from air to water to underground. It is necessary to understand the chemistry of nature that can help to mimic the natural chemical process to improve quality of human life and environment. Its knowledge enables a person to understand pros and cons of wide range materials frequently used in aspects of daily life. The enriched understanding of chemistry gives opportunity to join various sectors (chemical & pharmaceuticals, oil and gas, water testing, environmental, and forensic laboratories etc.). The department has currently seven faculty members who have experience in academia/research/industry from both India and abroad (USA, Germany, Switzerland, Belgium, South Korea, Japan, Taiwan, South Africa etc.). The faculty members of the department are actively engaged in research activities.

## 3. Department of Mathematics:

Mathematics has vast applications in different branches of science, social science and humanities. In many cases, especially in applied mathematics, mathematical constructions are chosen because they have desirable physical or social interpretations. The aim here is to look at the way systems of production and application of mathematics relate to social

interests. Mathematical models are socially significant in two principal ways - as practical applications of mathematics and as legitimations of policies or practices.

## VI. SCHOOL OF SOCIAL SCIENCES

### Dean: Prof. Sunil Mahawar

The School of Social Sciences comprises five departments namely (i) Department of Economics, (ii) Department of Social work, (iii) Department of Political Science (iv) Department of Sociology and (v) Department of Gandhian and Peace Studies.

#### 1. Department of Economics:

Department of Economics came into existence in the first academic session of Mahatma Gandhi Central University, Bihar in 2016. Currently, the Department has one Associate and four Assistant Professors. The Department aims to provide an in-depth study of the theoretical propositions advocated by different schools of economics. The course is designed to go beyond the merely received and established truths and to make students exposed to various heterodox literatures to develop a critical understanding of various theories among them. In order to make the programme more pragmatic, the department aims at enabling the students to link economic theory with historical experience and empirical observation. With gradual expansion, Department of Economics also facilitate research in Ph.D. programme in various domains of theoretical, empirical, developmental and interdisciplinary areas to be undertaken by students. The important areas of research are Macroeconomics, Financial Economics, Monetary Economics, Public Finance, International Economics, Experimental Economics, Environmental Economics, Industrial Economics, Agriculture Economics, Labour Economics, and Development Economics. Moreover, faculty members have published research papers in reputed International and National journals.

### Faculty in Department of Economics:

2.	Mr Ram Lal Bagaria	M.A.	International Trade, Quantitative Economics & Econometrics, Environmental Economics
3.	Dr Shreedhar Satyakam ( <i>on Lien</i> )	Ph.D.	Environmental Economics; Dairy Economics; Econometrics; Development Economics; Public Finance; Indian Economy

### 2. Department of Social Work:

Social Work is a professional discipline of integrated social sciences. The trained social workers are instructed to help restore equilibrium in the Indian society challenged by traditional and modern social evils and social realities. In the year 2016, the Department of Social Work was established with the vision to become the seat of excellence in promoting higher learning and research in social work. It aims to enable the students to utilise the knowledge and skills of social work for social transformations. The Department presently offers Masters of Social Work (MSW) and Doctor of Philosophy (Ph.D.) Programmes in regular mode to prepare students to integrate advanced professional knowledge, values, and skills to practice competently. The Department emphasises equipping social workers to work effectively with emerging systems, to assist diverse client systems on issues of social and economic justice to provide leadership in the development of service delivery systems. The Department of Social Work believes in doing research in social realities. The outcomes of such efforts are included in classroom & fieldwork instructions to provide theoretical as well as practical experiences that prepare students to understand and assess the contexts of professional practice and the behaviour of individuals, groups, communities, and organizations.

The social work students are prepared to use personal & professional skills and institutional resources, theoretical frameworks, and research to meet the needs of various client systems. The Department has collaborated with various national, international, and corporate agencies, NGOs, health institutions, public sector and autonomous organizations, various ministries of the state and central government, different consultancy organizations and reputed academic institutions.

3.	Dr Anupam Kumar Verma	Ph.D.	Social Work Education

### 3. Department of Political Science:

The teaching programme of the department is based on a comprehensive social science approach that integrates and interrogates sociological, economic, philosophical, and cultural dimensions. It encourages a comprehensive study of the field of politics, keeping especially the Indian reality in focus. In a later phase, a comparative study of the world constitution as well as the multidimensional approach of International Politics would be taken up. The emphasis is on developing a critical understanding of various theories and thereby combining it with practical dimensions. The department believes in the necessity to acquaint students with both Western Political Theory and Indian Political Thought to address contemporary socio-political issues. This will illuminate the reality of India and other countries/regions and also open up new research avenues. Political Science will continue to play a major role in the field of higher education, by seeding new ideas and creating knowledge by imparting high level of training with values and social commitment.

4.	Dr Narendra Singh	Ph.D.	Human Studies & Indian Political System

#### 4. Department of Sociology:

The Department has been functioning since its beginning of academic session in 2016 under the School of Social Sciences, Mahatma Gandhi Central University (MGCU) Bihar. This is one of the important departments of the University which cater the contemporary needs of the Indian society. It has well qualified faculty members educated from institutions of prominence and involved in teaching and research. It offers the courses by looking into the need relevance, and significance.

4.	Dr Sanjay Kumar	Ph.D.	Sociological theories; Political Sociology; Agrarian Sociology.

#### 5. Department of Gandhian and Peace Studies:

Mankind is struggling to escape itself from the evils of the industrial civilisation, greed based economic system, and immoral political conditioning, but unfortunately, there is no way to get rid of. In such darkness the thoughts Mahatma Gandhi could be a torchbearer. Only Gandhi Ji's philosophy can bridge the Cartesian division (duality of mind and body). His dedication to truth, non-violence, morality, equity, human dignity, and freedom is well defined and it's well examined fact that his way to live, can free us from many paradoxes. Keeping this in mind Mahatma Gandhi Central University established the Department of Gandhian and Peace Studies in 2019.

Department offers Master of Arts (M.A.) and Doctor of Philosophy (Ph.D.) programmes in Gandhian and Peace Studies. Department is committed towards enhancing research to all aspects of Gandhian Thought and Peace. With the aim of establishing a Gandhian ideas-based research centre, the department will endeavour to promote interdisciplinary research. Department aims to develop Gandhian thoughts as a methodological tool to understand, explain, and analyse conflicts and violence world-wide. By the teaching and research, department targets to develop the principles and practices of Gandhian ideas and providing profound knowledge of the history, theory and practice. Apart from classroom teaching, dissertation/Seminar, Project writing and field study is the essential component of programmes. This evolving discipline is an innovation in order to explore the Gandhian

philosophy in perspective of peace and conflict resolution and to offer a platform to the young generation for enlightened citizenship.

**VII. SCHOOL OF EDUCATION**

Sā Vidyā Yā Vimuktaye (सा विद्या या विमुक्तये) having this Sanskrit shloka in context, School of Education came into existence in May, 2019. School of Education is offering M.A. in Education and Ph.D. in Education from the academic session 2019-20 under Department of Educational Studies having academically rich and experienced faculty members. The School of Education attempts to bridge the gap between the curriculum & pedagogy, theory & practice and policy perspective between the school and higher education institutions and therefore it has a plan of expansion by opening different programmes on Teacher Education; Education Policy; Curriculum, Pedagogy & Assessment etc. In recent times, teacher education has been looked at as one of the most important areas of thrust, worldwide, with this awareness, and recognizing the challenges and need of teacher education in the country, the School of Education aims at imparting latest and best teacher education and accordingly, the curriculum of all the proposed courses are under formulation. We are aiming to make the School of Education as one of the destinations for teacher education in the country with fully equipped research facilities and pre-service and in-service teacher education programmes.

## 1. Department of Educational Studies:

The Department of Educational Studies under the School of Education came into existence in May 2019. The Department is offering M.A. in Education, and Ph.D. in Education from the academic session 2019-20. The genesis of Department of Educational Studies is new in the University and it has proposed to incorporate all elements of Discipline of Education.

## **CURBING THE MENACE OF RAGGING**

The University considers the menace of ragging as one of the worst forms of human rights violation and shall strictly adhere to the UGC regulations on curbing the menace of ragging. These regulations can be found on the UGC website: [www.ugc.ac.in](http://www.ugc.ac.in)

### **The objectives of these Regulations are:**

- To prohibit any conduct by any student or students whether spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or indisciplinary activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act, which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student;
- To eliminate ragging in all its forms from universities, deemed universities and other higher educational institutions in the country by prohibiting it under these Regulations, preventing its occurrence and punishing those who indulge in ragging as provided for in these Regulations and the appropriate law in force.

### **What constitutes 'ragging'?**

One or more of the following acts constitutes 'ragging':

- a. any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.
- b. indulging in rowdy or indisciplinary activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student.
- c. asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student.
- d. any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher.
- e. exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
- f. any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students.

- g. any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person.
- h. any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student.
- i. any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.
- j. Any act of physical or mental abuse (including bullying and exclusion) targeted at another student (fresher or otherwise) on the ground of colour, race, religion, caste, ethnicity, gender (including transgender), sexual orientation, appearance, nationality, regional origins, linguistic identity, place of birth, place of residence or economic background.

Resultantly, to prevent any incidence of ragging, the University has duly constituted the Anti-Ragging Committee, the Anti-Ragging Squad, in accordance with the relevant statutory guidelines and applicable laws to look into matters concerning complaints and incidents of ragging within and beyond the University premises. The University has been proactive in ensuring a ragging free environment.
